D'Bella's

Extended Massage Menu

Rejuvenating Massage

A full body massage helps to soothe and relax tired muscles and balances circulation, including a feeling of well-being and relaxation. (\$40/30 minutes; \$70/50 minutes)

Deep Massage

The therapist uses a variety of deep compressions and deep strokes to alleviate discomfort and tightness. This massage is not for the meek. (\$100/60 minutes)

Pregnancy Massage

A delicate massage assists in relaxing water retention, lower back pain and sciatica. This will help in a more calming and restful pregnancy. (\$50/30 minutes; \$80/60 minutes)

Post Natal Massage

After a long pregnancy and even longer labor, you deserve a relaxing massage. Not only will it reduce tension, but it will also increase your energy. Psychologically, a massage can nurture and comfort you whether or not you are experiencing postpartum emotions. (\$50/30 minutes; \$80/60 minutes)

Upper Body Massage

Perfect for our male clients. A deep upper body massage of the head, neck, and back to undo all the tension. (\$40/30 minutes; add hot stones for an additional \$10)

Hot Stone Massage

Warm lava stones strategically placed and used to massage the body to promote detoxification and a deep relaxation. (\$100/70 minutes)

Body Wraps

Natragel Body Wrap

This elastic gel body wrap is ideally for the visible reduction of cellulite on the arms and thighs. Also, recommended for the reduction of stretch marks and sore tired muscles. (\$90/30 minutes)

Moisturizing Body Mask

After the long winter your body needs this wrap. Penetrating moisturizers will make your skin feel soft and smooth. Perfect for sensitive or dry skin. (\$120/80 minutes)
